Stairway to Success Compensation Plan

(800) 982-3189 • www.youngevity.com

One of the truly unique features of the Youngevity® business is the fact that you can progress within the compensation plan as quickly as you want. If you want to jump right in and go for Diamond your first month in the business – you can do that – and you'll be paid as a Diamond from day one. That's right – Youngevity® will retroactively pay you as a Diamond for the entire month – even if you don't qualify as a Diamond until the last business day of the month. This isn't hype – we've sent commission checks to people who have done it!

With over 400 products to choose from, Youngevity® is the simple choice for starting your own business. It's as easy as re-directing your product purchases. Instead of buying from the grocery store, department store or drug store, you'll purchase your vitamins, mineral supplements, makeup, skin care, jewelry and personal care items from YOUR OWN STORE! You're going to buy these items anyway, why not get paid for it? Of course, your ultimate success will be the direct result of the effort you put into building your business.

To become an Associate, you must complete an Associate Distributor Application and submit your signed application, along with your registration fee, to the company. An Active Associate is someone who has 50 PBV during the calendar month.

Congratulations! You have taken your first step towards the great adventure!

WHAT IS A DREAM BONUS?

A new house? A boat? A great vacation... every year! All of these things (and more!) can be yours if you choose to seize the opportunity presented to you! So... DREAM BIG!

Once you become a qualified Kona Double Diamond, you will receive a \$600 DREAM BONUS! This can be used any way you choose to use it! It's paid with your regular commission check – every single month you qualify. Better yet, you'll get a raise once you become a qualified Fiji Double Diamond – receiving \$800 PER MONTH – to spend any way your heart desires! That's not the end... You can give yourself another raise by becoming a qualified Tahiti Double Diamond and you'll get a cool \$1000 BONUS – EVERY MONTH as long as you remain qualified! So, set your sights on the goal... would you like an extra \$600... \$800... or maybe \$1000?... Whatever you decide, make it happen!
